Professional Learning Certification Program

Beacon EDUCATOR

Online Professional Learning

ANYtime, ANYwhere

Beacon Educator partners with local school districts to provide asynchronous online courses for new teachers who need to meet the educational requirements for a Professional Teaching Certificate.

Formerly known as Alternative Certification Program

The Professional Learning Certification participants take prescribed online courses and complete other district and state requirements that allow them to obtain a Florida Professional Teaching Certificate. The online courses help these new educators become competent in the Florida Educator Accomplished Practices.
